## WHO WE ARE

- RFCO is a leading Egyptian real estate corporate that develops distinctive, and valuable projects in different areas of Egypt since 2015.
- RFCO provides more than just properties, we aim to establish a strong and active residential community. As a subsidiary of RFCO, RAMY FARES Construction is the constructing arm for customer centric projects with a new low-cost business model.
- RFCO developed more than 18 projects in new Cairo and the newest project is IL Mondo in the new Capital
- In every project, we ensure worthy developments with livable designs, management, facility management, and a warm, vibrant community.

## OUR VISION

To become the leading company in Egypt and the Middle East in providing modern and vibrant residential communities in exceptional locations by providing smart investment solutions and flexible payment plans that put the needs of investors, as well as exceptional product quality at the forefront of its priorities.

## OUR MISSION

Creating innovative investment opportunities, supported by easy payment plans to ensure the highest living standards by achieving the difficult equation that combines upscale living solutions in distinct locations at a cost price. Our mission is to craft integrated residential communities that enjoy security, luxury and peace of mind, in addition to providing a hassle-free investment experience based on commitment and complete transparency at all stages; from planning to delivering the project on time.
