MASTERPLAN

Your picture-perfect escape.

In its master plan, **EDSA and SB Architects** Florida have reimagined a seaside wonder amidst the North Coast's most sought-after locations. Nestled within an extension of Egypt's Western Desert and the Mediterranean Sea, **Seashore** at Hyde Park North is set within a private enclave with four elevated platforms that commend cascading views of the **-550meter-**long beach and swimming pools. Each large platform offers privately gated residences with north-oriented sea views only steps away from the coastline.

Seashore's turquoise waters and verdant landscapes form a natural statement of beauty that seamlessly blends with the modern architecture. Earthy tones and raw elements add to the charm of every home, offering refined luxury in each neighborhood. From exclusive villas to lavish townhouses, twin houses, penthouses, and deluxe chalets, each home is tailored to your way of life and aspirations making Seashore the place to be.
